

Top Six Benefits of RPO

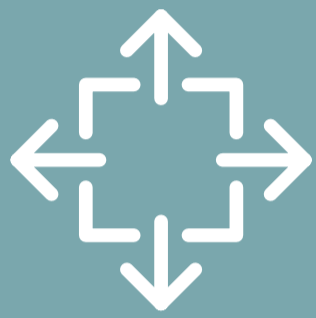

Reduced Recruiting Costs

RPO providers can leverage their recruitment technology and candidate databases which can reduce your recruiting costs.

Scalable Recruiting Capacity

From end-to-end recruiting and the ability to hire on a mass scale; RPO providers are able to tailor a solution to fit your hiring needs.

Higher-Quality Hires

Organizations using an RPO provider are 20% more likely to drive a higher average tenure for incoming employees.

Enhanced Employer Brand

EG RPO essentially “becomes you.” Meaning we seamlessly integrate into your brand. We expand your brand’s reach to more candidates to help you hire better and faster.

Time-Savings

EG RPO has access to best in class recruiters, a top tech stack, and the ability to source a pipeline of candidates quickly. Meaning there’s less time to hire for your organization.

Analytics and Reporting

EG RPO has your ROI top of mind. We have the ability to run data and reporting on our candidate pipelines and recruiting efforts so you know your spend is being optimized.
